Bakewell Safer Neighbourhood Team

New PCSO on the Beat

Some of you may have noticed or not around Bakewell, a new face walking around the town centre. PCSO Hayley Errington-Radcliffe has joined the team and been walking around the community over the last few days. If you do see her, please say hello.

Update on Priorities

The team have conducted speed checks in communities following concerns being made and issued numerous tickets to vehicles being found committing offences by parking on the double white line system on roads such as Alport Lane, Alport near Youlgrave and B6521 Nether Padley in Grindleford.

Following these speed checks and tickets have been issued, the team have updated yourselves via the use of Derbyshire Alert and our SNT Facebook page.

Vehicle Crime

There have been a few reports relating to vehicles being broken into while parked in the beauty spot areas. We ask people to be vigilant and don't leave valuables on show or in your vehicle while unattended.

Please report any suspicious behaviour to police.

Community Engagement

A few of you may have seen the team at various community events over the past few months in communities. If you wish the team to attend an event you are hold in the community, then please get in touch with us by the contact methods below asking the Bakewell SNT.
