

LITTON PARISH COUNCIL
Minutes of the Monthly Meeting
held on 16th December 2024 at 7pm in Litton Village Hall

PRESENT: Cllr Saxby in the Chair
Cllrs Howe, Rennie & Rooke

IN ATTENDANCE: G Turner, Clerk

2965 APOLOGIES FOR ABSENCE

Apologies for absence were received and accepted from Councillors Gamble & Brunt who were unable to attend for personal reasons & Councillor Gregory who was on holiday.

2966 DECLARATION OF INTERESTS

None.

2967 PUBLIC PARTICIPATION

There were three members of the public present at the meeting.

Two wished to speak about the planning application relating to Swallow Croft Barn (formerly known as the Hosiery).

The previously granted planning permission stated that the lean-to had to be removed as it was a modern addition. The owners of the property have however come across a photo on Historic England's website showing that the lean-to has been in place since at least 1947 and therefore not as modern as originally thought. The owners have therefore submitted an application for the removal or variation of the condition that they must remove the lean-to as this will allow them to create an extra room, which is important to them as they intend to stay in the house indefinitely.

A governor from Litton School spoke about placing signage on the bus shelter, see minute 2971 below.

2968 MATTERS TO BE DISCUSSED FOLLOWING THE EXCLUSION OF THE PUBLIC AND PRESS

There were no agenda items that required the exclusion of members of the press and public under the Public Bodies (Admission to Meetings) Act 1960 s1.

-2952 Update on the potholes on Bottomhill Road and Litton Mill – The Clerk informed members that she had asked County Councillor Sutton for an update on when the numerous potholes in Cressbrook will be filled but had not yet received a response.

Councillors asked the Clerk to find out why the section of Church Lane (in front of the Red Lion) and the road in front of the village hall has been resurfaced before the potholes in Cressbrook have been filled, as these present a far greater danger to road users.

Councillor Howe stated that there are more potholes that need reporting on Bottomhill Road

and he will obtain photos so that the Clerk can report them to DCC.

2974 MONTHLY PLAYGROUND REPORT

Councillor Rooke stated that he had undertaken an inspection of the playground at the weekend.

Some of the walls look as if they may need repairing in the relatively near future and the laurel trees on a neighbouring property are becoming overgrown and beginning to push against one of the playground walls which is a concern and will need monitoring.

The play equipment looks in good order.

The playground bin contained household rubbish and this also needs to be monitored to ensure that it doesn't become a regular occurrence.
