The Occupier

Dear Sir/Madam

Winter Service in Cressbrook

As you will be aware, the road through Cressbrook is salted when we receive a forecast of snow or ice.

Occasionally, I am informed that our gritting lorries are often unable to travel along the road due to the presence of parked vehicles, particularly at weekends and overnight. If you park on this road, I should be grateful if you would ensure there remains sufficient space for the gritter to pass. It should be remembered that our gritting lorries are large and difficult to manoeuvre and may be fitted with a snow plough.

Should this situation not improve in the near future, it may be necessary for this road to be removed from our Precautionary Salting Network.

I trust we can rely on your co-operation during the upcoming winter period.

Yours faithfully

Project Engineer
