## To be completed by Local Councils, Internal Drainage Boards and other Smaller Authorities\*:

- where the higher of gross income or gross expenditure was £25,000 or less but:
  - are unable to certify themselves as exempt (fee payable); or
  - have requested a limited assurance review (fee payable)

## Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2018/19

1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 **must** complete Part 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with Proper Practices.
2. **The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:**
  - The **annual internal audit report** is completed by the authority's internal auditor.
  - **Sections 1 and 2** are to be completed and approved by the authority.
  - **Section 3** is completed by the external auditor and will be returned to the authority.
3. The authority **must** approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both **must** be approved and published **before 1 July 2019**.
4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, **must** return to the external auditor by email or post (not both):
  - the Annual Governance and Accountability Return Sections 1 and 2, together with
  - a bank reconciliation as at 31 March 2019
  - an explanation of any significant year on year variances in the accounting statements
  - notification of the commencement date of the period for the exercise of public rights
  - Annual Internal Audit Report 2018/19

Unless requested, do not send any additional documents to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed the review and is able to give an opinion on the limited assurance review, the Annual Governance and Accountability **Section 1, Section 2 and Section 3 – External Auditor Report and Certificate** will be returned to the authority by email or post.

## Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on a publicly accessible website:

Before 1 July 2019 authorities **must** publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- **Section 1 - Annual Governance Statement 2018/19**, approved and signed, page 4
- **Section 2 - Accounting Statements 2018/19**, approved and signed, page 5

Not later than 30 September 2019 authorities **must** publish:

- Notice of conclusion of audit
- **Section 3 - External Auditor Report and Certificate**
- **Sections 1 & 2 of AGAR** including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

\*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

## Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2018/19

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this Annual Governance and Accountability Return. *Proper Practices* are found in the *Practitioners' Guide\** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Where amendments are made by the authority to the AGAR after it has been approved by the authority and before it has been reviewed by the external auditor, the Chairman and RFO should initial the amendments and if necessary republish the amended AGAR and recommence the period for the exercise of public rights. If the Annual Governance and Accountability Return contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the annual internal audit report if possible prior to approving the annual governance statement and before approving the accounts.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness before returning it to the external auditor by email or post (not both).
- Do not send the external auditor any information not specifically requested. However, **you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the Annual Governance and Accountability Return covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide\**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2018) equals the balance brought forward in the current year (Box 1 of 2019).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the period for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the approved accounts and accounting records can be inspected. Whatever period the RFO sets it **must** include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.
- The authority **must** publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2019**.
